Dear Parent or Guardian;

Thank you for your interest in joining the 407 Royal Canadian Army Cadet Corps.

In order to be enrolled in the cadet program the parent/guardian is required to complete an Application for Membership in the Canadian Sea, Army or Air Cadets (CF 1158). These documents can be confusing but must be completed accurately and in full, so please read the forms and instructions carefully to avoid delays in processing. If you do experience any difficulty in completing the forms or would like clarification on any point, please do not hesitate to contact me by email (see above) and I will try and respond as soon as possible.

When return emailing the enclosed documentation please also include the following source documents, pdfs or jpegs will be fine for now but we may need to see originals when we resume in-person training;

- a. Birth Certificate;
- b. Provincial Health care card;
- c. Proof of Canadian citizenship or landed Immigrant status if not born in Canada;

Once all the above items are received along with the enclosed documentation, they will be entered into the program and you will be sent an enrollment confirmation email.

Unfortunately to ensure the safety of all who participate in our programs, no in-person activities will be permitted until at least October 1st, 2020, and only after approval has been granted by the local Regional Cadet Support Unit, and proper safety measures are in place. In the interim we will be conducting online training so please see our web page for regular updates <https://www.407army.ca/> as well as our corps Facebook page [407 cameron cadets](#).

If you have any questions or concerns please do not hesitate to email me.

Regards

Capt. Blair Will, CD, CET
